Personal Statement

I'm a highly motivated individual with some experience working as a graphic designer. I spent 3 years studying user interface and experience design and have since deepened my interests towards graphic design. I am currently looking to further develop and improve my skills so as to level up my works.

Interests

- Graphic Design
- Video Games

Hard Skills

- Adobe Illustrator
- Adobe Photoshop
- Adobe XD
- Adobe Premiere Pro
- Typography
- Colour Theory

Soft Skills

- Good Team Player
